Marilyn Monroe, probably the most celebrated actress of the 20th Century, personified Hollywood glamour.

She enamored the world with her famous 1950's movie roles in "The Seven Year Itch," "Some Like It Hot" and "Gentlemen Prefer Blonds." She made over 30 films and who will ever forget her rendition of "Diamonds are a Girl's Best Friend." Marilyn Monroe sought refuge right here on Long Island in 1957 with her famous playwright husband, Arthur Miller, where they lived in a rented cottage on a 100-acre estate nestled between riding stables and potato fields in Amagansett. She also spent summers in Miller Place!
