Marshall Irving: *Meet the Man Behind the Stony Brook Eagle*

Do you know what an antiquarian horologist is?

It's someone who restores a great variety of antique clocks!

Come and meet Marshall Irving who maintains the famous eagle atop the historic Stony Brook Post Office and keeps its 20 foot wing span flapping each hour on the hour as it has been doing for 78 years. It is the only known clock of its type in the world. Hear his fascinating story of coming from a small farm to becoming a Naval Engineer.
